

*Davines Ferma – a space
for connection, creativity
and inspiration.*

OUR FAMILY STORY and why *Ferma*?

Davines Ferma is owned by UAB Emblika – a family business founded in 2002 by Rūta and Arvydas Čilinskai. Named in honor of grandmother Emilija, the company grew into a business that unites family values, aesthetics and responsibility towards nature, nurturing sustainable beauty.

“When you listen to your heart, you know who you are. When you are truly yourself – everything comes alive and real.”

This thought guides Gytautas Čilinskas, who now continues the family business together with his parents, driven by sincerity and deep belief in what they do.

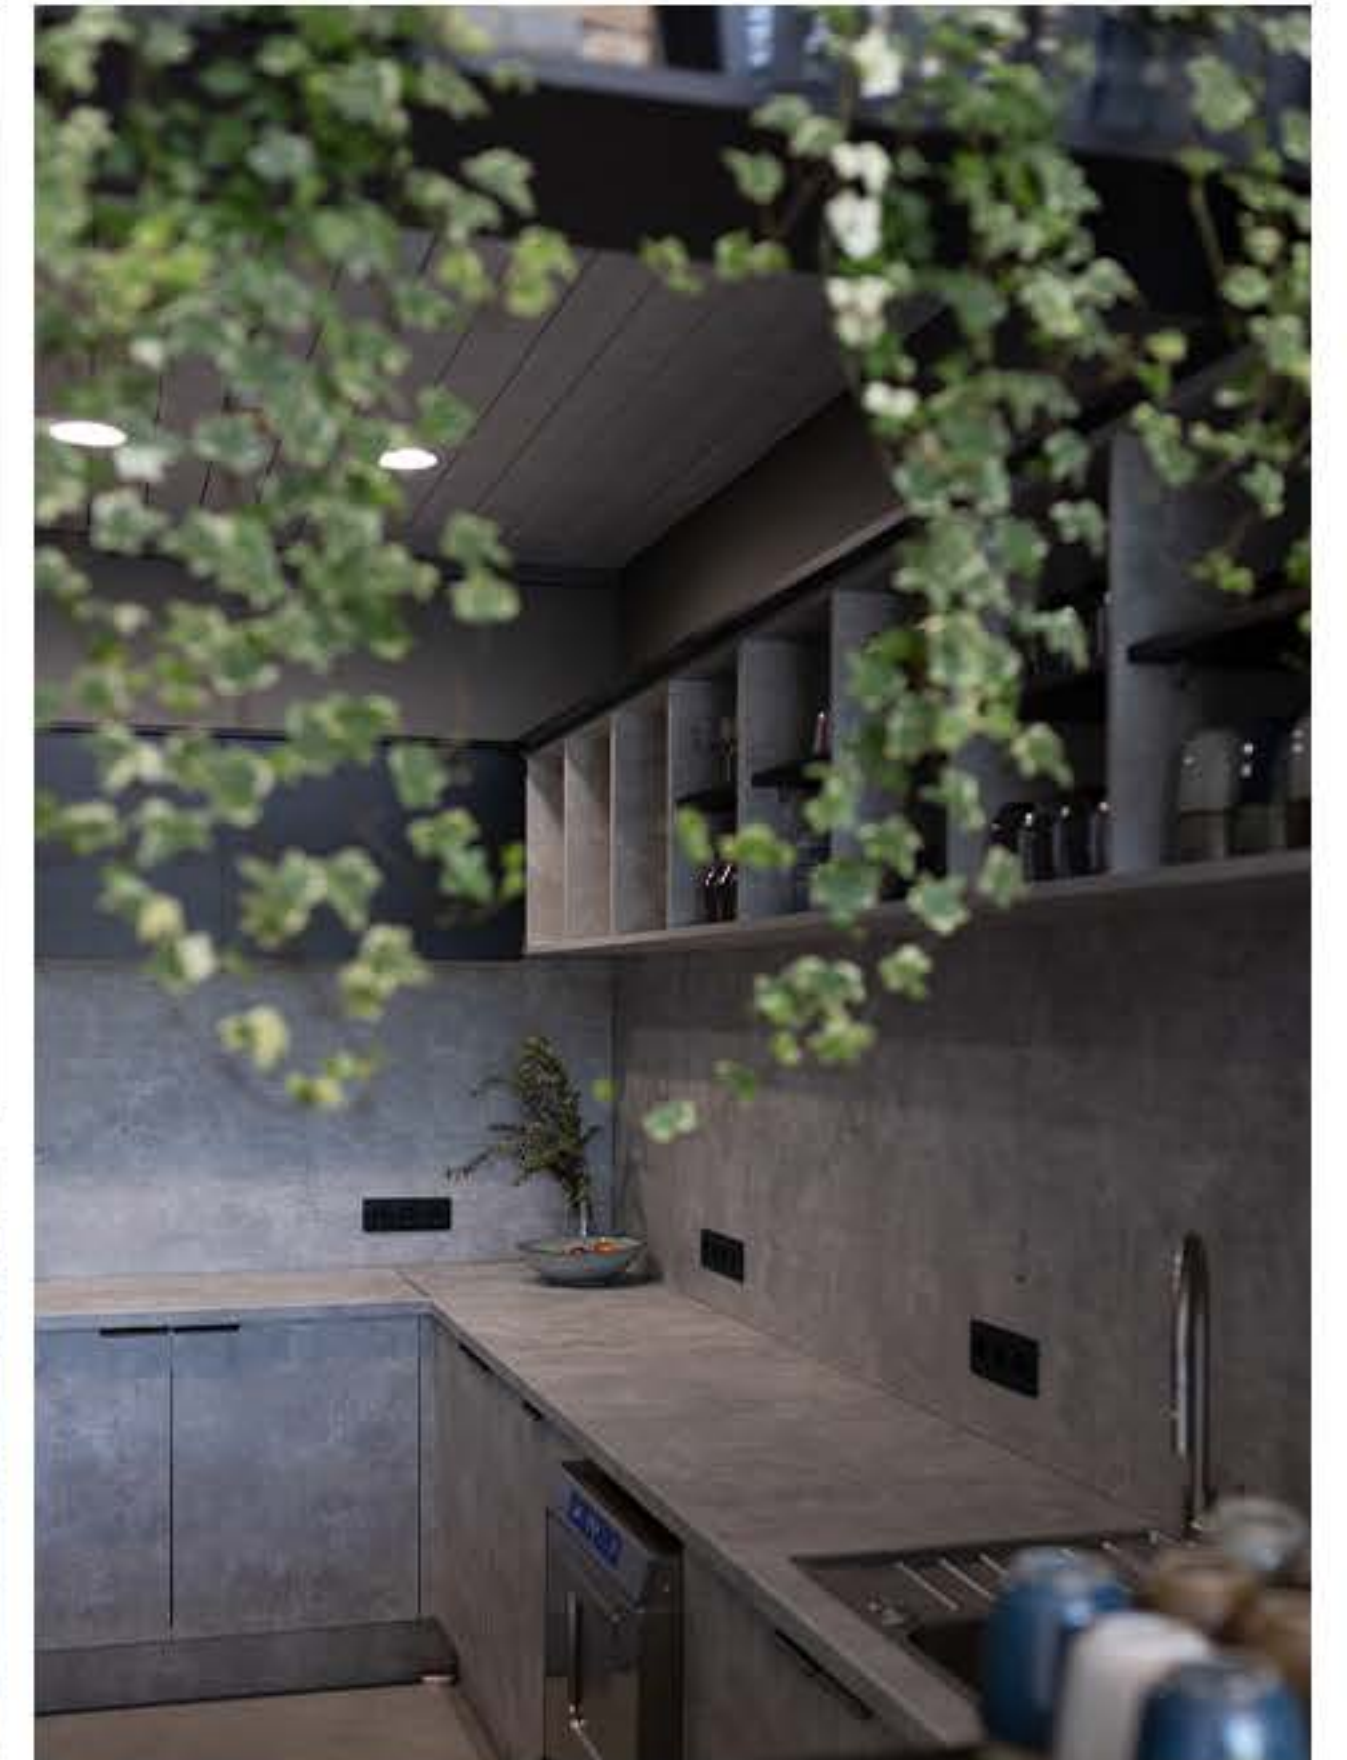

We invite you to visit Davines Ferma – to walk around, connect, find peace, and experience a space designed for conscious, sustainable, and socially responsible events and creativity.

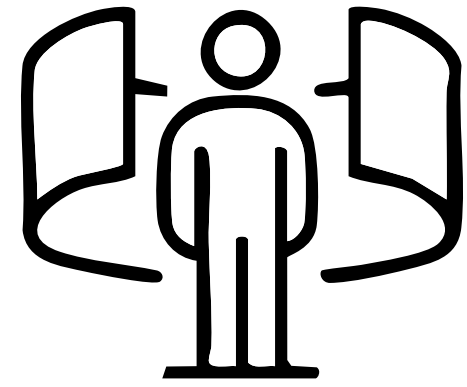

Here, time slows down, and moments turn into lasting memories.
